

MODEL #
PTZBASE1

HEAVY DUTY METAL **JUNCTION BOX**

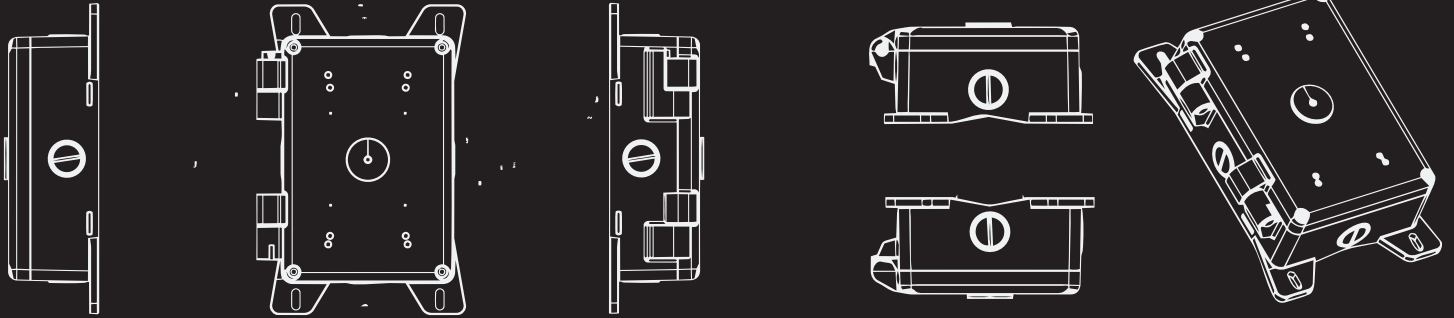

The **PTZBASE1** Heavy Duty Metal Junction Box is a durable and professional mounting solution designed for PTZ camera installations. Built for both indoor and outdoor applications, it provides a secure enclosure for cable management while protecting wiring from environmental exposure. Featuring a convenient service door and multiple conduit entry points, the PTZBASE1 simplifies installation and maintenance while ensuring a clean, reliable, and professional finish. It is fully compatible with the WMB6 and WMB8 wall mount brackets.
