Our **XEBATVIP5MP28-AI-L-B** camera provides vision in complete darkness thanks to its advanced night vision capabilities. Thus, even in conditions of total darkness, you can still capture color images and ensure comprehensive surveillance of your property. It is equipped with powerful deterrent features such as blue and red lights as well as a siren, which can be remotely activated to deter intruders and prevent criminal acts. Moreover, with its built-in microphone and speaker, you can record your own alarms or voice messages, adding an additional level of security to your premises. Furthermore, with the included 1TB SD card, you can store hours of footage without worrying about running out of space.
